From: Commanding Officer, USCG Integrated Support Command Honolulu
To: Mr. Francis Savea

Subj: CIVILIAN OF THE QUARTER

1. I am pleased to recognize you as ISC Honolulu's Civilian of the Quarter for the fourth quarter of fiscal year 2001. During this period, you displayed a most sincere level of dedication to your assigned duties as a Sand Blaster/Crane Operator. You have helped ISC Honolulu live up to its motto of "Premier Pacific Support."

2. During this quarter, your first as a permanently staffed civil servant, you remarkably blasted four 6 x 20 buoys and three 8 x 26 buoys. In addition, you have blasted over 15 essential parts in support of the home ported Buoy Tenders, enabling them to meet their mission requirements. You assisted the Coast Guard Cutter Jarvis in the refurbishment of 6 watertight doors when procurement system red tape would have prevented on-time delivery of new ones. You were also essential in the repair of the J-Bar Davits on Coast Guard Cutter Jarvis, much to the deck department's delight. For Station Honolulu, your quick response to their mast preservation efforts helped ensure that the yard period for their 41-foot utility boat remained on schedule. In all of these tasks, you have demonstrated a work ethic rarely observed in new employees. You're a hard worker that enjoys his job. Your contributions to the mission of the Integrated Support Command are stellar reflections of the kind of customer service we strive to provide to our customers.

3. As the Civilian of the Quarter, you will receive a \$200.00 On-the-Spot Cash Award, your name added to the perpetual Civilian of the Quarter Plaque in ISC's Administration Building, and you will receive four hours administrative leave. Congratulations on a job well done.

C. J. CONKLIN
